The Bulletin.

Norwich, Saturday, May 22, 1909.

The Bulletin should be delivered everywhere in the city before 6 a. m. Subscribers who fail to receive it by that time will confer a favor by reporting the fact to The Bulletin Co.

THE WEATHER.

Forecast for Today.

For New England: Rain in south, partly cloudy in north portion Saturday and Sunday; continued cool, high east to northeast winds, except moderate easterly on the coast of Maine. Predictions from the New York Herald: On Saturday overcast to partly cloudy weather will prevail, preceded by rain, with fresh northwesterly and northerly winds, and on Sunday partly cloudy and continued cool weather, followed by clearing.

Observations in Norwich.

The following records, reported from Sevin's pharmacy, show the changes in temperature and the barometric changes Friday:

	Ther. Bar.
7 a. m.	51 30.25
12 m.	50 30.22
6 p. m.	55 30.30
Highest 62, lowest 47.	

Comparisons.

Predictions for Friday: Cloudy, with showers; east winds. Overcast, with east winds; bleak; with little rain in the evening.

Sun, Moon and Tides.

Day.	Rises.	Sets.	High.	Low.
17	4:27	7:01	7:23	3:31
18	4:56	7:02	8:13	4:03
19	4:25	7:02	9:00	4:30
20	4:54	7:04	10:41	5:38
21	4:23	7:06	11:33	6:27
22	4:52	7:06	12:23	7:00

Six hours after high water it is low tide, which is followed by flood tide.

GREENVILLE.

Men's Mission Will Close This Evening—Funerals, Mrs. Julien Bourque, James Quinn—Notes.

With the closing of the men's mission in St. Mary's church drawing near, large congregations greeted the missionary fathers at the services held on Friday, and especially gratifying are the large numbers receiving communion. At the 5 o'clock mass Father Mitchell gave the instructions on the Second Commandment. Those who do not take the name of the Lord God in vain. As a good precaution against this great evil, so prevalent today with men, Father Mitchell recommended the joining of the Holy Name society, which has accomplished much since its existence in St. Mary's parish. In the evening, Father Mitchell gave the instructions on Purgatory. The sermon was preached by Father Downes, who spoke on the Passion of Our Lord. The Rev. Father's mission will close on Sunday evening at 7:30 o'clock, when special exercises will be held. The children's mission will close this (Saturday) afternoon.

FUNERALS.

Mrs. Julien Bourque.

Many surviving relatives and friends gathered to pay their last tributes of love and respect to the memory of Mrs. Julien Bourque Friday morning. The funeral services were held at the home of her daughter, Mrs. Peter H. Ethier, No. 351 Central avenue, at 9:15 o'clock, and the remains were conveyed to St. Mary's church, where at 10 o'clock a solemn requiem mass was impressively celebrated. The officiating priests were: Rev. U. O. Bellerose of Wareham, celebrant; Rev. Arthur DeBrocker, William's deacon, and Rev. William A. Keefe of St. Mary's church, sub-deacon. Rev. Arthur O'Keefe of the Sacred Heart church, Taunton, and Rev. James J. Reeves, Others were present from Worcester, Providence and other places in Rhode Island.

James Quinn.

The funeral of James Quinn was held from his late home, No. 81 5th street, Friday morning at 9:30 o'clock, and there was a large attendance of relatives and friends, including some from New Haven and Sag Harbor, and also a delegation from the Father Mathew T. A. society. At 9 o'clock the remains were conveyed to St. Mary's church, where a requiem high mass was celebrated by Rev. William A. Keefe. The solos during the mass were sung by Mrs. M. L. Shiley. There were many handsome floral forms, including a wreath from the Father Mathew T. A. society. The bearers were Bernard McMahon, James Enright, Patrick Bradley, Cornelius J. Downes, James McNaney and Thomas McGhee. Burial was in the family lot in St. Mary's cemetery. The prayers at the grave were read by Rev. James J. Smith.

Interesting Race Today.

Today's three mile race between Boyd, Gable and Martin for the championship honors of Greenville and the possession of the handsome ten service which is offered as a trophy by the committee in charge—E. R. Corey, John Heath and P. J. Murtha—is eagerly awaited by a large number of interested people. Boyd is regarded as a favorite, but the result of the race is by no means settled, and it is altogether possible that another race still ship of the tea set. The main race starts at 6 o'clock, and a few minutes before a race for boys between 8 and 11 years will afford an interesting feature.

Notes.

Patrick Driscoll of Jewett City was a visitor in town on Friday.

Miss Mamie Daly of North Main street is spending a few days with relatives in Holyoke.

Mrs. Adolph Goucher of North Main street has gone to Providence this week to reside with relatives in that place.

Mrs. Mary Chouinard of Prospect street is to move to Salem, Mass., in the near future, where she will reside with her daughter, Mrs. Alexander Seymour.

The Kiekers will play a return game with the Shetucket campus this (Saturday) afternoon. The Kiekers will line up as follows: Barnes, C. Fuller, P. T. Sweeney, B. Brown, M. Ming, C. O. Gray, Cummings of Supa, J. Johnson, Jr.

The members of the senior class of the Greenville grammar school made their trip to Hartford under the guidance of Principal Hobson Friday, according to schedule, and returned in the evening, tired but happy, after a day of sight-seeing which will long be remembered by all of them.

CONTRACTOR FOR FIREWORKS DISPLAY

Closed by the Committee with a Boston Firm—Will be 152 Numbers Lasting Ninety Minutes or Longer—Other Committee Doings.

There was a meeting of the committee on fireworks for the coming celebration on Friday afternoon at the New London County Mutual Fire Insurance company's office, at which all the members were present, Chairman W. F. Lester presiding. The committee has asked for bids from all the large fireworks concerns and has been considering four for the furnishing of the entire display. As the result of the figures and programmes submitted the contract was awarded to the National Fireworks company of Boston, which underbid them all, considering the excellence of the display.

There are to be 152 numbers and will last about an hour and a half, although it can be made longer. During that time there will be something on all the time and the numbers will come fast and furious. There will be 550 bombshells of all sizes from four inches to 36 inches. There will be four sets. One will be a floating flag, which has been shown but a few times in this country. It will go up as a bomb, opening out as a balloon, and with lights directed upon the waving flag will float over the city. Another set will be a copy of the attractive letter head of the celebration committee's paper.

Three experts will come here from the factory to assist in the display and there will be a dozen to fifteen local men to assist them.

The committee feels that they have secured the best possible place for the city for the display and are particularly grateful to the owners of the property, as it is through the courtesy of the Rogers property owners that the village point has been secured. All sections can see it. The committee has not spent the entire appropriation, as there will be many small needs to be supplied yet.

Launch Committee.

At a meeting of the launch committee on Friday morning it was decided that the number on the sub-committees was too small and that there should be eleven. A list of 35 owners of launches outside the boat club has been secured and all will be asked to participate in the water parade, while others who may have been overlooked are also desired. The committee with the additional members includes Maj. W. A. Wells, chairman, C. J. Baldwin, Amos Wheeler, John A. Vergason, Scott Conklin, John Sheridan, Oscar Lacroix, George Powers, Philip Sheridan, John A. Hagberg and Henry Gebhardt.

Distinguished Guests' Committee.

The following sub-committee has been named by the reception and entertainment committee:

On transportation of distinguished guests—W. H. Palmer, W. A. Briscoe, Dr. Patrick Cassidy.

On banquet—C. D. White, A. H. Brewer, John C. Averill, Dr. Leonard B. Almy, ex-Mayor F. Osgood.

On accommodations of unplaced guests—Henry P. Parker, Archibald Mitchell, James B. Shannon.

On reception at Buckingham Memorial—Gen. W. A. Aiken, Oliver L. Johnson, Dr. Leonard B. Almy.

On hotel arrangements—Archibald Mitchell, John C. Averill, W. A. Norton.

On list of people who will entertain distinguished guests—Gen. William A. Aiken, Gardiner Greene, Oliver L. Johnson, Dr. Patrick Cassidy, H. P. Parker.

On the march—Mrs. P. Nicolai and Mrs. J. J. Donovan. It made two complete rings around the hall. Dancing followed for which the Academy orchestra played, but the card players were too busy to take part in it. In the grand march, for which partners had been found by the society, the following were the winners: Mrs. W. J. McKnight, embroidered shirt waist; Mr. Murphy of Baitie, a bill case; second, Miss Katherine Plunkett, gilt belt buckle; J. P. Brennan, leather cigar case. A quilt was on exhibition which is to be disposed of at a coming meeting. Refreshments were served.

At the Thursday evening meeting of the Congregational church the subject was The Call of the City. Rev. M. Ewing spoke of the challenges of the city. The urban population is on the increase and destined to increase. People in the cities belong largely to the manufacturing class; the tendency of the citizen is towards materialism. The country must guard against this in the case of its young people who go to the city.

At the Friday afternoon meeting of the city, the subject was The Challenge of the City. Rev. M. Ewing spoke of the challenges of the city. The urban population is on the increase and destined to increase. People in the cities belong largely to the manufacturing class; the tendency of the citizen is towards materialism. The country must guard against this in the case of its young people who go to the city.

At the Saturday morning meeting of the city, the subject was The Challenge of the City. Rev. M. Ewing spoke of the challenges of the city. The urban population is on the increase and destined to increase. People in the cities belong largely to the manufacturing class; the tendency of the citizen is towards materialism. The country must guard against this in the case of its young people who go to the city.
